Pet Sitting options

We offer a range of Pet Sitting options that cover your more easy going pets, all the way to full time care for those animals who need supervision 24/7. The different options have been categorised below.

Option 1: Full-Time

A full time Pet Sitter is the highest form of care we offer. Your Pet Sitter will be on premises all hours of the day and night. This is to ensure that your furry family member has constant supervision.

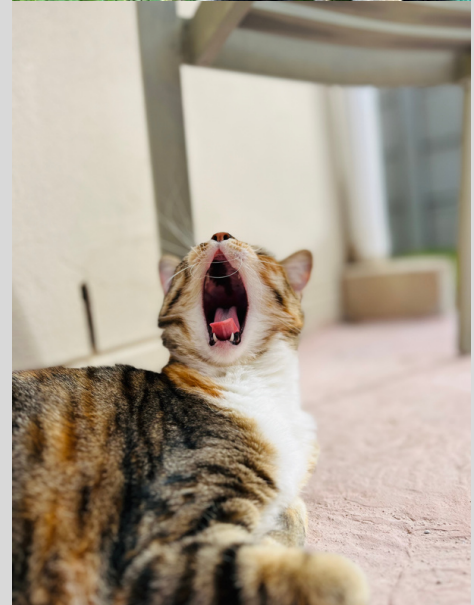

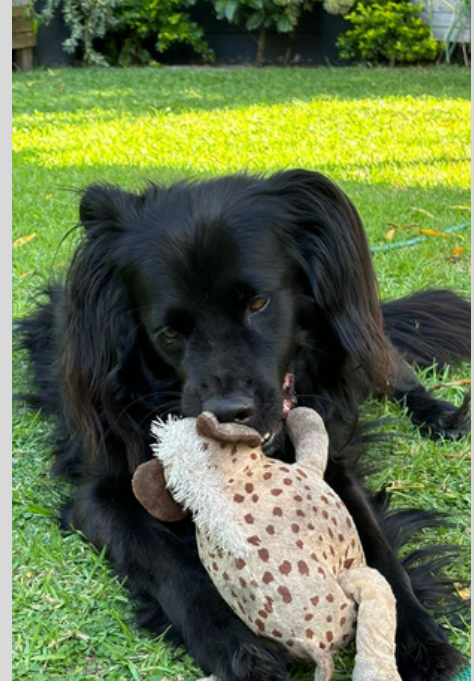

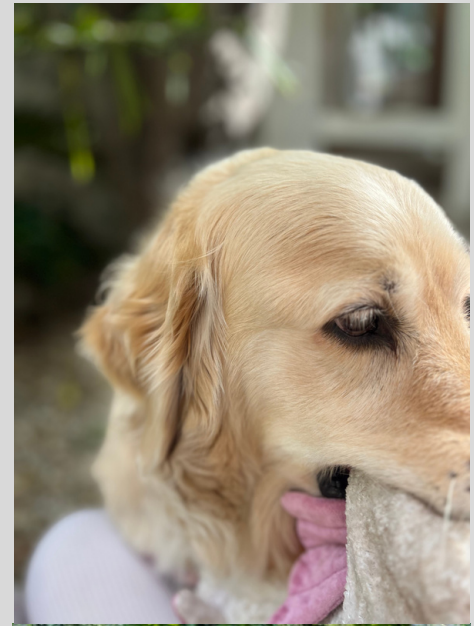

This is best suited for very young and older animals who need more hands-on care.

Option 2: Part-Time

A part time Pet Sitter provides the same amount of care as the full time Pet Sitter. The difference is the amount of supervision your pet receives. This is for the pets who are set in a routines and don't require someone on the premises 24/7.
